

INITIATION TO GEOCROMOTERAPIA

Online course

Distance training to begin to work therapeutically with Geometry and Color. Causal diagnosis and treatment with 14 Geocrom Archetypes are addressed. Basic and conceptual principles of sacred geometry and the colors of light, as therapeutic and spiritual elements. Psychological connection of the therapist and impartiality of the energy diagnosis. Synergy of Reiki healing with the Geocrom Method. Integration of the first healing codes from the Geocromotherapy and the healing work of the hands. Learning of 14 codes or psycho-psychic Geocrom Archetypes.

This is the program of the first course of Initiation to Geocromotherapy, but there is the second part where you learn more concepts and the 63 Archetypes that complete the Geocrom Method to heal the body, the psyche, the energy and the soul. Personalized course through direct communication with professor Marta Povo, through calls whatsapp, skype, phone or mail. A 100-page and protected document is sent, with links, videos, images, etc.
